
Giorgio Armani Cruise Collection Spring/Summer 2018

Posted by [Eschelle Demure](#) / 13 Jun 2017

Contributed By: Atelier D'Artistes

Small jackets with three-quarter-length sleeves, short dresses with defined waists and asymmetrical hems, pyjama jackets and lightweight duster jackets, pleated skirts and trousers revive wardrobe classics with a strong personality.

The vivid palette comprises pink, red, light blue and green hues, mixed with graphic zest and underscored with black and white lines. A collection with an eclectic spirit that enhances femininity.
